SE QUEDÓ LLORANDO	HASTA EL FINAL	ME QUEMO A FUEGO LENTO
LLORANDO SU PENA	YO TE VOY A DAR	ME QUEMO A FUEGO LENTO
Y BIEN SABE QUE ES POR TI	AY, QUE TODITO MI AMOR	
HOY SU CONDENA	YO TE VOY A AMAR	PERO MI PECHO DIJO ADIÓS
	CON TODA MI PIEL Y MI VIDA	Y AHORA DE NUEVO BRILLA EL
YO LA QUISE TANTO	TODO POR ESTE AMOR	SOL
ERA LA SANGRE EN MIS VENAS	POR TU AMOR	PORQUE TÚ LE HAS DADO
SIN SABER QUE ERAN DE OTRO		FUEGO A MI CORAZÓN
SUS LUNAS LLENAS	Y YO TE VOY A AMAR	
	TE VOY A AMAR SIN MEDIDA	HOY ME QUEDÉ VACÍO PARA
Y ENTRE TU AMOR Y SU DOLOR	YO TE VOY A DAR	LLENARME DE TI
HAY UN LAMENTO	YO ME JUEGO HASTA LA VIDA	AY, MI REFUGIO SERÁ TU
ME QUEMO A FUEGO LENTO	POR ESTE AMOR	CUERPO
ME QUEMO A FUEGO LENTO	POR ESTE AMOR	Y MI TIERRA TU VIENTRE DE
		TRIGO EN FLOR
PERO MI PECHO DIJO ADIÓS	HOY ES TAN LEJANA	HOY ME QUEDÉ VACÍO PARA
Y AHORA DE NUEVO BRILLA EL SOL	COMO HUELLA EN LA ARENA	LLENARME DE TI
PORQUE TÚ LE HAS DADO FUEGO A MI	SU RECUERDO SABE A SAL Y A	Y MI CARICIA SERÁ TU ALIENTO
CORAZÓN	HIERBABUENA	Y MI BANDERA LA LUZ DE TU
		DULCE AMOR
HOY ME QUEDÉ VACÍO PARA LLENARME DE TI	TÚ ME DAS LA CALMA	Y YO TE VOY A AMAR
Y MI REFUGIO SERÁ TU CUERPO	EN LAS NOCHES DE ENTREGA	TE VOY A AMAR SIN MEDIDA
Y MI TIERRA TU VIENTRE DE TRIGO EN FLOR	Y NADIE MÁS PODRÁ BORRAR	YO TE VOY A DAR
HOY ME QUEDÉ VACÍO PARA LLENARME DE TI	TU PIEL DE SEDA	PARA TODA LA VIDA
Y MI CARICIA SERÁ TU ALIENTO		YO TE VOY A AMAR
Y MI BANDERA LA LUZ DE TU DULCE AMOR	Y ENTRE TU AMOR Y SU DOLOR	CON TODO LO QUE SOY
	HAY UN LAMENTO	TODO POR ESTE AMOR [...]

Canción: [Du bist](#)

Letra: Peter Zimmermann

Música: Peter Zimmermann

Diese Stille, die ich hab, immer wenn du bei mir bist
Diese pure Fantasie, diese Kraft, die du nur gibst
Diese kleinen Glücksmomente, die du mir so zahlreich gibst
Immer fehlen dann die Worte, weil es ohne dich nichts gibt

Wenn du traurig bist, dann wein ich mit dir mit
Wenn du schläfst, dann träum ich mit dir mit

Du bist das Leben, das ich lieb
Du hast das Lachen, das ich brauch

Du bist der Stern am Sternenzelt
Und alles andere Schöne auch

Du bist die Kraft, die mich umgibt
Du bist die Wärme, bist das Licht
Und was ich sonst noch alles brauch
Das bist du auch

Du bist ein Wahnsinns-Optimist, für diese Grenzen unbekannt
Für dich ist jeder Wunsch ein Ziel und meine Träume werden
wahr

Wenn du traurig bist, dann wein ich mit dir mit
Wenn du schläfst, dann träum ich mit dir mit

Du bist das Leben, das ich lieb
Du hast das Lachen, das ich brauch
Du bist der Stern am Sternenzelt
Und alles andere Schöne auch

Du bist die Kraft, die mich umgibt
Du bist die Wärme, bist das Licht
Und was ich sonst noch alles brauch
Das bist du auch

Die Luft, die mir den Atem gibt
Das Wunder, das man Leben nennt
Das Wasser, das sich nicht verdunst

Alles in einem, das bist du

Du bist das Leben, das ich lieb
Du hast das Lachen, das ich brauch
Du bist der Stern am Sternenzelt

Und alles andere Schöne auch

Du bist die Kraft, die mich umgibt
Du bist die Wärme, bist das Licht
Und was ich sonst noch alles brauch

Das bist du auch

Letra: Dan Attlerud

I have tried every way

To get to the heart of her soul

Cause everything that you deny

Could be there if you let me know

I wanna heal every wound into you

To finally make you believe

High over the rain

There's still a sun that could ease all your pain

I always try holding your heart

Bringing you high

Tried to make you see the light

When sorrow grows deep in your mind

And seize the day, not asking why

There is so much for you to find

I wanna bring you the wings to fly

To never be broken again

Oh...

High over the rain

There's still a sun that could ease all your pain

I always try holding your heart

Bringing you high

I just wanna open your closing mind

Your life can't be worth all your sacrifice

There is a light over you

Please let it through

High over the rain

There's still a sun that could ease all your pain

I always try holding your heart

Bringing you high

Oh...

High over the rain

There's still a sun that could ease all your pain

I always try holding your heart

Bringing you high

Bringing you high

Canción: [A Chaque pas](#)

Letra: Jonatan Cerrada

Música: Ben Jammin Robbins y Steve Balsamo

Il y a des blessures

Qu'on devra oublier

Tellement de ratures

Qu'il faudra effacer

Souffler très fort pour que s'envole de nos cœurs la rancune

Et puis faire tomber les barrières une à une...

A chaque pas que l'on fera

A chaque geste qu'on offrira

Ce sera le début d'un autre demain

Dans chaque mot que l'on dira

Dans ce futur qu'on construira

C'est l'Amour que dessineront nos mains

Il y a des injures

Qu'il faudra pardonner

Des cris contre des murs

Qui lesferont tomber

Déposons les armes à nos pieds, délaissions nos armures

Et que nos conflits ne soient plus que murmure

A chaque pas que l'on fera

A chaque geste qu'on offrira

Ce sera le début d'un autre demain

Dans chaque mot que l'on dira

Dans ce futur qu'on construira

C'est l'Amour que dessineront nos mains

5- Serbia-Montenegro:

La bataille sera longue

Mais tu sais elle en vaut la peine

L'enfant en nous trouvera le chemin

Il y a des felures

Qui resteront brisées

Des coups un peu durs

A jamais marqués

A chaque pas que l'on fera

A chaque geste qu'on offrira

Se que al final lograras encontrar

La paz y la felicidad

En tu camino hallaras

Todo lo que deseas alcanzar

C'est l'Amour que dessineront nos mains.

Kad na te pomislim

Bojim se da te opet zavolim

U modre usne zarijem zube

Da pravu bol zaboravim

Lane moje, ovih dana

Više i ne tugujem

Pitam samo da l' si sama

Ljude koje ne cujem

Lane moje, nocas kreni

Nije važno, bilo s' kim

Traži nekog nalik meni

Da te bar ne volim

(Nek' neko drugi)

(Usne ti ljubi)

(Da tebe lakše prebolim)

Lane moje, ovih dana

Više i ne tugujem

Pitam samo da l' si sama

Canción: [On again...off again](#)

Letra: Gerard James Borg

Música: Philip Vella

Look at me – I need some attention

I'm a girl – of serious intention

Just like a butterfly

My wings can take me high

To touch your piece of sky

Though I can fly away

Play cool, or run away

I choose to hold your love

More than one night!

You're everything and nothing in one

(What do you mean?)

Our love goes from the North to the South

(I disagree)

I just can't understand anymore

What we have in common

(Chorus)

On again - Off again

Like the rhythm of rain

We need to decide

Find an end to this game

Such wonderful times

Many natural highs

Love is a flame that we can never tame

On again – Off again

Why... oh why! Can't I live without you?

How... oh how! Do I reach inside you?

My love is justified

I simply had enough

I want you by my side

Am I your fantasy?

Mystery? Or destiny?

Do you take me for a ride?

Please, tell me now!

You're the air, you're the love that I breathe

(That sounds so good)

You're the magic that flows from within

(I feel that too)

We come close then we move far away

Can't we stay together?

(Chorus)

There's a river between us

And I need you to come across

Reach out for my heart

Keep this feeling so alive

Love grows – We survive

(chorus)

On again - Off again

Like the rhythm of rain

We need to decide

Find an end to this game

Such wonderful times

Many natural highs

Love is a flame that we can never tame

I spent my life in search for you

Not knowing what to find

Still wonder how did I pull through

Without you on my mind

Friends tell me you're no good for me

I'll show them all they're wrong

'cause you are everything to me

It never felt so strong

Without you Nothing can turn out right

I lie awake all night

Without you I keep calling your name

My life can never be the same

You are a miracle to me

Your face I can't forget

I just feel we're bound to be

From the moment that we met

I've been waiting for someone like you

Now you've come my way

Sometimes I can't believe it's true

I hope you're here to stay

Without you Nothing can turn out right

I lie awake all night

Without you I keep calling your name

My life can never be the same

(bridge)

Listen to thies heart of mijne

It's filled with dear desire

For you're the kind I tried so long to find

You set my soul on fire

Without you Nothing can turn out right

I lie awake all night

Without you I keep calling your name

My life can never be the same

The Image of You

How strange the feeling in your soul
When love invades your very being
Another "me" or so I'm told
And life takes on another meaning.

Day after day, I go through the motions,
Stumbling my way, life is a blur
Slave of my love, of my emotions
You're in my eyes, you're in my heart

One kiss, one heartbeat, in time,
a kiss, the moment, is mine.
I close my eyes, I breathe
I'm Queen of the world of Make Believe!!

You make me feel, a little crazy
You make me see your tears are true
You make my days and nights so hazy,
You make me feel the image of you.

Once again just hold me

Who would die for me

Let me feel you breathe

Softly kiss me on my face

Love is all I need

Lonely moments, years

Is that all that I can hope for?

Sorrow and only tears

Forever more

Hold me once again my dear

Let your passion take me

In my heart it's like you're near

Like it used to be

If only in dreams I'll see you go

I'll just have to let you go

That will be the end

Forever more

You were my only love

We were timeless

Without you close to me

I'm left all alone

With only sadness

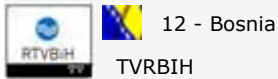

I have lost someone

Someone of my own

A part of me

Who lived for me

BELIEVE ME

Believe me, I just don't care

If you look away or stare,

If you choose to go or stay...

Don't believe me, I pray!

In my head – every day, everywhere – oh, no

You and I can talk, and I sound colder.

In my heart, though I say I don't care,

I just cry and cry on your big shoulder.

Believe me, I just don't care

If you look away or stare,

If you choose to go or stay...

Don't believe me, I pray!

Believe me, I just don't care

If you look away or stare,

If you choose to go or stay...

Don't believe me, I pray!

Far away, like the man in the moon, (my dear!)

You just wave to me, you are always lying.

Every face, every voice, every tune

Brings you back to me, and I start crying!

Believe me, I just don't care

If you look away or stare,

If you choose to go or stay...

Don't believe me, I pray!

Letra: Ilija Nikolovski

I saw my ID, it wasn't myself

It was someone else's identity

Who do I need to prove myself?

And who is the judge of my sanity?

Roaming through my old emotions

I find new feelings of misery

I bet my soul for a piece of truth

And dared myself to reality

Life is a book and you have to read it

Life is a story and you have to tell it

Life is a song and you have to sing it

You have to know how to live it

Life is a book and you have to read it

Life is a story and you have to tell it

Life is a song and you have to sing it

You have to know how to live it

Walking around, with thoughts on my mind

I'm searching place where I'll be free

From all that is said and from all that is done

It will be hard to find it inside of me

I know that I've got to try

No-one can see me cry

I can't stand it anymore

I must find a way to let myself go

Life is a book and you have to read it

Life is a story and you have to tell it

Life is a song and you have to sing it

You have to know how to live it

Life is a book and you have to read it

Life is a story and you have to tell it

Life is a song and you have to sing it

You have to know how to live it

(Life is a book and you have to read it)

Everytime you wanna play	Darlin', it's your body that's driving me nuts
Turn me on, all the way	Let me in, I've got to touch
Come to me and take the ride	
Skin on skin, it's pure delight	I would trade my life
Givin' me the passion, you're burning my heart	For a night with you
Gonna rock you till you drop	Driven by desire
Baby, you're the reason I'm feeling so hot	Make that move on me
Want you now, I just can't stop	It's time for you to see
	That my world's on fire
I would trade my life	
For a night with you	Shake, shake, shake, shake, shake it, mi amor
Driven by desire	Crazy for love
Make that move on me	Give me some more
It's time for you to see	Shake, shake, shake, shake, shake it, mi amor
That my world's on fire	Crazy for love
	Give me some more
Shake, shake, shake, shake, shake it, mi amor	Shake, shake, shake, shake, shake it, mi amor

Shake, shake, shake, shake, shake it, mi amor	Forever

I still miss you
And it makes me feel blue,
And I'm lost
Without those colours of you.
I can't think straight
I just wanna be.
Wherever you are
When your not here with me.

Blend with my blue
Those colours of you.
Please help me
See it through ooh.
This journey I must
Take all alone.
I blend my blue
In those colours of you.

I lay down and cry
And the rivers are dry,
Oh, to unvail my heart
When you kiss me goodbye.
And when you set sail
Fair winds... all the way.
So, farewell
That's all I can say.

Blend with my blue
The colours of you.
Oh, please help me
See it through ooh.
This journey I must
Take alone.
Oh, so just blend your
Colours with my blue.

And I know
I'll find my love tonight
I can feel you reaching out
I got this feeling deep inside
It's in my head
It's in my heart.

I know
Your love tonight
And I know

You'll be by my side.
I know
You'll help me see it through

Blend your colours

With my blue.

Canción: [If the world stops turning](#)

Letra: Jonathan Shorten

Música: Bryan McFadden

I could see my future

When I'm looking in your eyes

And I can sense security

Just by you being in my life

Little voice inside my head

Says you're an angel in disguise

Without you I feel hopeless

Without you I'm deprived

I wish I could describe it

All the love I feel inside

Maybe I can find the words

That would make you realize

My life seems near perfect

When I got you in my arms

That's when I feel wholesome

That's when I am with you

If my world stopped turning in the morning

And if God should take this all away

If it all should stop without a warning

I would still stand tall

'Cause behind it all

You're the one who's made a winner out of me

I lie alone to touch you

And it comes as a surprise

That we spend so long apart

Even more that I survived

If I could speak frankly

There's one thing I can say

That I'm falling for you, baby

Falling further every day

If my world stopped turning in the morning

And if God should take this all away

If it all should stop without a warning

I would still stand tall

'Cause behind it all

You made me your winner

If my world stopped turning in the morning

And if God should take this all away

If it all should stop without a warning

I would still stand tall

'Cause behind it all

You're the one who's made a winner out of me

Canción: [Hold on to our love](#)

Letra: James Fox

Música: James Fox

Maybe I've been foolish letting you down
I've been a little selfish not being around
But if I lost you I'd be helpless inside
Gotta hold on to our love tonight

[Chorus]

Cause now that I've found that someone I believe in
And I feel so complete by your side
It's the only time I've ever loved somebody baby in my life
We gotta hold on to our love tonight

I know that you've been hurting
The pain's in your eyes
I promise you I'm changing I feel it inside
I don't know what I would do if it all passes by
We gotta hold on to our love tonight

[Chorus]

Cause now that I've found that someone I believe in
And I feel so complete by your side
It's the only time I've ever loved somebody baby in my life
We gotta hold on to our love tonight

Some things in life we should treasure
When you find love never let it go
Because now I realize what you mean to me

Cause now that I've found that someone I believe in
And I feel so complete by your side
It's the only time I've ever loved somebody baby in my life
We gotta hold on to our love tonight

Cause now that I've found that someone I believe in
And I feel so complete by your side
It's the only time I've ever loved somebody baby in my life
We gotta hold on to our love tonight
We gotta hold on to our love tonight

Canción: [Stronger every minute](#)

Letra: Mike Connaris

Música: Mike Connaris

No matter where I am
I'm always thinking of you
And I need you to understand
That I have to say what I feel
But now this is straight from my heart

My love grows stronger every minute
And it won't ever die
I want you to stay with me
My gentle baby for all my life

Now when I look into your eyes
I can tell that something's wrong
You're holding back the tears
Couldn't bare to lose you now
So I will make my feelings clear

My love grows stronger every minute
And it won't ever die
But you must believe
I'll always be there, all my life

Oh please, stay

Mmmm...

Canción: [For Real](#)

Letra: Gökhan Özoçuz y Hakan Özoçuz

Música: Gökhan Özoçuz y Hakan Özoçuz

Hey you
What you doin', what you waitin' for?
Comin' up, let's go, yeah
Are you in? Are you in? Are you in there?
Can't you see where we could go?
All I know is you don't want to be a part of the crowd
Realize yourself

You say it but don't feel it
What you sayin' has no meanin'
Face the truth, don't hide your soul
For real, I'm for real

Up, I wanna bring you up
Up, I wanna bring you up
I wanna bring you up
Up, I wanna bring you up
Do you want? Do you want?
Up, up, I wanna bring you up, up

No questions, no answers
Rules around in circles
Respect me, and you will see
Are you in? Are you out?
Do you know your way out?
Comin' up now, comin' up
For real, I'm for real

Up, I wanna bring you up

Up, I wanna bring you up
I wanna bring you up
Up, I wanna bring you up
Do you want? Do you want?
Up, up, I wanna bring you up

Up, up, I wanna bring you up
Up, I wanna bring you up
I wanna bring you up
Up, I wanna bring you up
Do you want? Do you want?
Up, up, I wanna bring you up
Up, I wanna bring you...

Come on, risin' up now, risin' up now!

Canción: [I admit](#)

Letra: Irina Gligor

Música: George Popa

As in a dream, love appeared
Swept me away and make me lose control
Like never before

As in a dream, love touched me
I don't know how to touch the bottom
Of my very soul

Now I know I find the key to my heart
I just hope this ain't a dream
And that you are reality

I admit I fell for you so badly
And I admit you make my senses wild
I know sometimes I am looking foolish
I admit, I admit
I'll be a fool as long as you are mine
Just mine, just mine

It's good to be in love
It makes you touch the sky
A thousand times or more

It's good to admit
That my heart starts to race
When you walk through that door

Now I know you are the key to my heart
Just hope you're not the dream
And that you'll be my everything

I admit I fell for you so badly
And I admit you make my senses wild
I know sometimes I am looking foolish
I admit, I admit
I'll be a fool as long as you are mine
Just mine, just mine

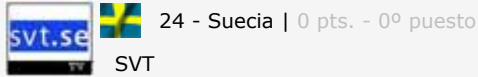

I admit I fell for you so badly
And I admit you make my senses wild
I know sometimes I am looking foolish
I admit, I admit
I'll be a fool as long as you are mine
Just mine, just mine

Just mine
You make me shine
You are the light in my life

I admit I fell for you so badly
And I admit you make my senses wild
I know sometimes I am looking foolish
I admit, I admit
I'll be a fool as long as you are mine
Just mine, just mine

I admit I fell for you so badly
And I admit you make my senses wild
I know sometimes I am looking foolish
I admit, I admit
I'll be a fool as long as you are mine
Just mine, just mine

Canción: [It hurts](#)

Letra: Thomas Eriksson - T. Orup Eriksson

Música: Thomas Eriksson

INTRO:

Nobody but me
Could know the way I feel

VERSE:

I'm standing on a roof-top
And I'm crying out your name
I'm looking for an answer
And for somebody to blame
'Cause even though it's over
You linger on my mind

CHORUS:

Hurts, oh it hurts, really hurts
In the middle of the night
In the light of the day
You know that it hurts, oh it hurts, really hurts
And I wish I could be stronger
No longer afraid
Nobody but me
Could know the way I feel
How it hurts
Oh, it hurts

VERSE:

I'm trying to forget love
The pain I feel inside
I'm clinging to my pillow
And the tears I cannot hide
I wish it could be over
So I could start anew

CHORUS

MID8:

Not easy to remember
And even harder to forget
Whenever I surrender
You're always on my mind

CHORUS

I wish I could be stronger
But it hurts
