

EUROPACK 2011

PRIMERA SEMIFINAL | FIRST SEMIFINAL

12/05/2011

PAÍSES | COUNTRIES

Bienvenidos al europack de la Edición 2011. Después de una gran espera, y recogiendo el testigo que dejó Oslo, Dusseldorf será la ciudad que será conquistada por una multitud de música de unas 43 culturas diferentes.

Este europack es un obsequio por esas personas que siguen juntos con nosotros el Festival de Eurovisión cada año, y a los que este festival sea su primero.

Queremos invitarle a que conozca cada una de las candidaturas de este gran certamen, y acercarle cada una de las canciones que participan en él.

También como ya es tradicional, le adjuntamos una hoja para que ustedes hagan sus propios votos para la Gran Final.

Esperemos que estos días sean para vosotros tan grandes como los términos de audiencia que acaparan este gran evento, y además junto a este complemento para que lo puedas disfrutar junto a tu familia, amigos y/o pareja.

Atentamente,

LETRA | LYRICS

Jestem, jestem
Jestem - w Twym słowie, myślach,
każdym geście
Jestem - jak woda, ziemia, ogień i
powietrze
Jestem - w ramionach mych
roztapiasz się jak lód
Czekasz, na choćby jeden uśmiech,
jedno słowo
Co dnia próbujesz zdobyć mnie na
nowo
Z Tobą oswoiłam się
A gdy kłopot jakiś mam
U drzwi stajesz pierwszy
Teraz wreszcie pewność mam
To Ty kwiaty do mnie ślesz co dnia

Jestem Twym natchnieniem, dla
leż ukojeniem
(Twój świat kręci się wokół mnie)
Jesteś moim cieniem na każde
skinienie
(Pojawiasz się tuż obok mnie,
skaczesz w ogień gdy chcę)
Czuję jak raz po raz ogarnia Cię
niepokój

Jak talie kart odkrywam Cię po trochu
Z Tobą, zapominam się
A gdy noc kołysze nas, do snu
Myśli biegną w stronę Twoich oczu, Twoich
ust
By upewnić się że wciąż, jeszcze...
Jestem Twym natchnieniem dla leż
ukojeniem
(Twój świat kręci się wokół mnie)
Jesteś moim cieniem na każde skinienie
(Pojawiasz się tuż obok mnie)
Jestem Twym natchnieniem dla leż
ukojeniem
(Twój świat kręci się wokół mnie)
Jesteś moim cieniem na każde skinienie
(Pojawiasz się tuż obok mnie, skaczesz w
ogień gdy chcę)
Jestem!

Jestem Twym natchnieniem dla leż
ukojeniem
(Twój świat kręci się wokół mnie)
Jesteś moim cieniem na każde skinienie
(Pojawiasz się tuż obok mnie)
Jestem Twym natchnieniem dla leż
ukojeniem
(Twój świat kręci się wokół mnie)
Jesteś moim cieniem na każde skinienie

LETRA | LYRICS

Feel my heart, feel the words beat low
I sing my song and the echo flows
And wherever I go, I just want you to know
You're the blood in my veins and the love in my soul
You are my wave rippling over sea
You dry my tears and you make me real
But wherever I go, I just want you to know
My moment in time, oh sweet song of mine
I'm like an eagle in the open sky
I never land, I'm flying high
Let me share my song with you, just feel the passion
Love's the message shining through, a child reaction
It brings my heaven down to earth and this is why
It drives me mad but it gives me life, I'm free to fly
And when I feel that I thirst for you
I dab my lips with your morning dew
But wherever I go, I just want you to know

Sweet song, live forever and I'll live with you
I'm like an eagle in the open sky
I never land, I'm flying high
Let me share my song with you, just feel the passion
Love's the message shining through, a child reaction
It brings my heaven down to earth and this is why
It drives me mad but it gives me life, I'm free to fly
(Let me share my song with you, just feel the passion)
(Love's the message shining through, I'm free to fly)
Zot, qe këngën ma ke fal, më lerë të ndarë
Nuk ka ngjyrë e nuk ka fjalë, muret s'e mbajnë
It brings my heaven down to earth and this is why
It drives me mad but it gives me life, I'm free to fly
(Let me share my song with you, just feel the passion) Yeah...

LETRA | LYRICS

Here's your favourite song on the radio
Shake your head to the beat, it's rock 'n' roll
If you're feeling the world has kicked you down
All you need is just to have a little fun

Hey... it's time to live it up
My friend, put the record on
Sing it loud and let it out, life is beautiful
My friend, let it out, life is beautiful

Give yourself a break, come on and live it up
Give yourself a break, come on and live it up
Give yourself a break

Driving on with no map to lead me on
Eyes on the horizon and there's no turning round
Sometimes I feel, I feel I'm not alone
So let your colours shine right next to mine

Hey... it's time to live it up
My friend, put the record on
Sing it loud and let it out, life is beautiful
My friend, let it out, life is beautiful

Give yourself a break, come on and live it up
Give yourself a break, come on and live it up
Give yourself a break

I say my friend, life is beautiful
I say my friend, life is beautiful
I say my friend, put the record on
Sing it loud and let it out, life is beautiful
My friend, let it out, life is beautiful

Give yourself a break, come on and live it up
Give yourself a break, come on and live it up
Give yourself a break

LETRA | LYRICS

Čiča zima i svud je prokleti led
baš sam imala težak dan
ljudi čudni su, niko ne zna za red
kući vučem se umorna

I dok kopam po tašni da pronađem ključ
već na ivici nerava
moje sunce, moj mesec i zvezdice sve
moj muškarac mi otvara
moj je čovek na vratima

**I istog trena vredim kao hiljadu žena
jer njemu sam lepa i jaka ko stena
i kad me grli, znam da sve je u redu
čovek je čaroban**

**Sve moje mrakove u proleće boji
od kad me voli ja uspravno stojim
i njemu ja sam dobra, baš kakva jesam
čovek je čaroban**

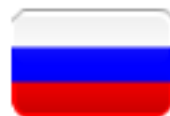

Zbogom tugo i zdravo osmehu moj
sreća s njim se doselila
tako topao, nežan i predivno svoj
samo meni on pripada

Dugo pričamo, moj je najbolji drug
s njim se smejem ko blesava
ljudi mi kažu nisu videli par

koji tako isijava naša ljubav je
zarazna

**Sada znam da vredim kao
hiljadu žena
jer njemu sam lepa i jaka ko
stena
i kad me grli, znam da sve je u
redu
čovek je čaroban**

**Sve moje mrakove u proleće
boji
od kad me voli ja uspravno
stojim
i njemu ja sam dobra, baš kakva
jesam
čovek je čaroban**

I choose my words like wise men do
And tonight I'll get you right
I rule my world like great men do
And I fight, I fight for mine

And you look so good on the floor
Pull my mind in that dirty zone
If they watch, let them watch
Not losing you tonight

Oh oh... I'm coming to get you
Oh oh... I'm running, I'm coming for you
Oh oh... I'm gonna get you
I know you, you want me to

Oh oh... I'm coming to get you
Oh oh... I'm running, I'm coming for you
Oh oh... I'm gonna get you
I know you, you want me to
Oh oh oh... oh oh yeah... oh oh oh...
I know you want me to

Girl, you blow me away, I want you here with me
Girl, you blow me away, yeah yeah...
Girl, you blow me away, I want you here with me
Girl, you blow me away, I want you to stay
If you really want to have fun tonight
Just scream

[estribillo | Refrain]

I lost my mind somewhere between
Your face and your perfect shape
I found a pleasure watching you having fun
Fooling around
And you look so good on the floor
Pull my mind in that dirty zone
If they talk, let them talk
You know I'm getting you tonight

I looked into your eyes, and when I saw
your smile
I knew right from the start: life is good for a
while
Romance comes and goes, but a love like
ours is here to stay
Each lovely night and sunny day

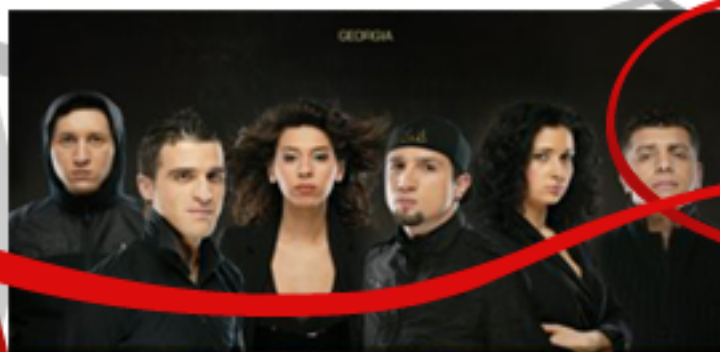

**I love everything about you, I couldn't
do without you**
**Whenever you're near me, all my days
are on the bright side**
**But when I'm not around you, I have to
find the way**
To be with you each night and every day

Nanana nanana... nanana nananana...
Nanana nanana... nanana... nanana...

**I love everything about you, I couldn't
do without you**
**Whenever you're near me, all my days
are on the bright side**
**But when I'm not around you, I have to
find the way**
**To be with you each night and every
day**

(Nananana nanana...) I love
everything you do
(Nananana nanana...) I couldn't do
without you, without you, baby
(Nananana nanana...) Oh no no no
no, oh no no yeah...

(Nananana nanana...) Oh I couldn't
do without you
I have to find the way to be with
you, no no
(Nananana nanana...) No no no no
no yeah...

LETRA | LYRICS

After the day I met you, there I am,
not the same
Try to sleep, but nothing helps me,
feel insane
Passion game that I play gonna
last one more day
One more night I'll be there, in my
dreams again and again

**I wanna give in to fire, uncover
vicious desire
Abandon painful denial, find pretty
reason to stay
One more forbidden sensation, one
more emotional flare
Down with the fake hesitation,
Hell yeah, I'm ready to pay, pay for
the hopeless despair
Gonna live one more day of my fate**

(Because down to the one more day, next
day
And I used to be one of the kind of persons
like I really don't care
When I realized all my thoughts and all my
fears around me
Wanna know what I'm doing, it's gonna be a
while
Turn back all the words of regrets

And seize the chance to find the way
so I can be raised
I am too lame, psycho from the brain
There's nothing I can do, that's the
part of the plan)
Out of such foolish states, gonna find
no other way
(Make way 'cause it's all about the
shame)
Feel no shame, 'cause I live one more
day, again

**I wanna give in to fire, uncover
vicious desire
Abandon painful denial, find
pretty reason to stay
One more forbidden sensation,
one more emotional flare
Down with the fake hesitation,
hell yeah, I'm ready to pay,
Pay for the hopeless despair
(Turn back in the days when you
suffered the same
And all the way you felt at reach like
a flame)
Gonna live one more day of my fate
(No shame, no way, no faith, no faith,
no shame)**

LETRA | LYRICS

Peter is smart, he knows each
European country by heart
He likes to sit under an apple tree on
his yard
And wait for an apple to fall
When Peter is nine, his teacher tells
him that this planet is dying
That someone needs to put an end
to it all
And so when Peter comes home, he
tells his mom:

**I'm going out in the world to save
our planet
And I ain't coming back until she's
saved
I'll walk my way to see the king and
parliament
If they don't help, I'll do it by myself
I don't wanna be...
Dadadam dadadam dadadada
dadada dadam...**

Peter is young, he tries to talk, but no
one listens to him
Everybody's busy living and dying, not
thinking about what they're doing.
But look at the boy who went out in the

world to save our planet
And he ain't coming back until she's
saved
He walked his way to see the king and
parliament
But they all turned their heads and
walked away, singing:
**Dadadam dadadam dadadada dadada
dadam...
Dadadam dadadam dadadada dadada
dadam...**

**And now I'm going out in the world to
save our planet
And I ain't coming back until she's
saved
I'm walking in the footsteps that
young Peter made
And everybody is welcome to join,
and sing with me:**

**Dadadam dadadam dadadada dadada
dadam...
Dadadam dadadam dadadada dadada
dadam...
Dadadam dadadam dadadada dadada
dadam...**

Life's a game, it's a mystery
Take advantage
Days go by, no lesson learned
Just things that you do
Things change even in my mind, not
in my heart
I am who I am
And I'm here for you
One life
Show what's in your heart
Love me like I love you
One life
It's all we got to live
Time to set your heart free
Chase the pain away
Move on and don't give up (this
time)
It's all up to you
You can love yourself too
Life is strange and heavenly
A sweet surrender (surrender)
Love begins within ourselves
Makes up our lives
Hold on to what life brings you
Just be who you are
You can do it too
It's all up to you

One life
Show what's in your heart
Love me like I love you
One life
It's all we got to live
Time to set your heart free
Chase the pain away
Move on and don't give up (this time)
It's all up to you
You can love yourself too
Don't try to judge me
You don't know how I feel
Love me, love me for who I am
My life, I will
Give it all, I give it all to you, give it all...
One life
Show what's in your heart
Love me like I love you
One life
It's all we got to live
Time to set your heart free
Chase the pain away
Move on and don't give up (this time)
It's all up to you

Oh, the sea
Waves of eternity, waves of serenity
As I stare through them all around me
just dies
Tonight I will pretend there's no more
time?
Let's lock our doors and leave this
endless world outside
**But if you don't mind, I will be here
Holding back those years that pass
us by
And in a natural high, you hold my
hand, we'll take a breath
So tonight, if you don't mind, I will
stand by**
Oh, this life, something so beautiful
but hard in the same time
Taught me could be gone in a blink
of an eye
Tonight can we pretend there's no
more time?
Let's lock our doors and leave this
endless world outside

**If you don't mind, I will be here
Holding back those years that
pass us by
And in a natural high, you hold my

So tonight, if you don't mind, I will

Friday, my night
Flashing street lights
Let's get this old town dancing
Leave the troubles behind
(Oooh)
Put your hands up
Let the magic take over your heart
Join us, you'll have a good time
Love is here to stay
Celebrate
Every single step you take
Stop the world for a moment
Shine like a comet
Nothing can stop you now
Celebrate
Every single step you take
Stop the world for a moment
Shine like a comet
In a musical galaxy
Friday
Late night
We're all two shadows in the
moonlight
A thousand drums are beating
'Till a break off day
(Oooh)
Put your hands up
Let the magic take over your heart
Join us, you'll have a good time
The party of your life

Just in movin' and dancin' and dancin'
and dancin'
Music will hear your soul
Let's move to the rhythms and beats all
around
Until we lose control
(Oooh, oooh)
Celebrate
Every single step you take
Stop the world for a moment
Shine like a comet
Nothing can stop you now
Celebrate
Every single step you take
Stop the world for a moment
Shine like a comet
In a musical galaxy

Some say I'm a bit of a fool,
sitting on a hill and counting raindrops.
Keep thinking I just wanna go
to the peaceful place I know,
that I call home.

But oh oh oh it's time to go, I'll see you,
I'll see you soon.

**Cause I can't wait for tomorrow
to say the things I wanna say,
your smile will always lead my way.
I can't wait, I'm coming soon,
I just wanna see your face again.**

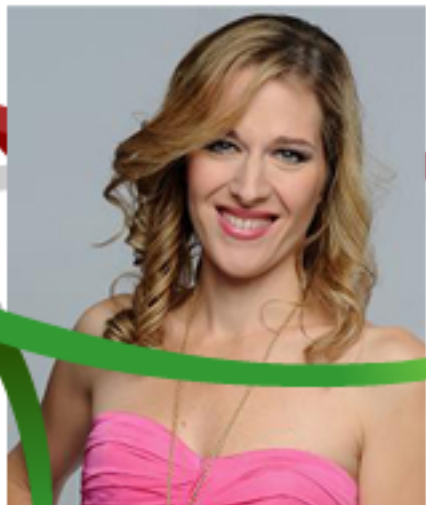

Some say I'm a bit of a fool.
Driving down the road I stop to listen.
I hear your laughter in the trees,
your whisper in the breeze,
my love is you.

But oh oh oh it's time to go, I'll see you, I'll
see you soon.

**I can't wait for tomorrow
to say the things I wanna say,
your smile will always lead my way.
I can't wait, I'm coming soon,

Cause no one, knows his where or

When my time on earth comes to an

Por vezes dás contigo desanimado
Por vezes dás contigo a desconfiar
Por vezes dás contigo sobressaltado
Por vezes dás contigo a desesperar
De noite ou de dia, a luta é alegria
E o povo avança é na rua a gritar
De pouco vale o cinto sempre apertado
De pouco vale andar a lamuriar
De pouco vale um ar sempre carregado
De pouco vale a raiva para te ajudar
De noite ou de dia, a luta é alegria
E o povo avança é na rua a gritar
E traz o pão e traz o queijo e traz o
vinho
E vem o velho e vem o novo e o
menino
E traz o pão e traz o queijo e traz o

E vem o velho e vem o novo e o

Vem celebrar esta situação e

Vem celebrar esta situação e

C'est ma vie, je dis oui
No more waiting round
I know I have found
Everlasting love for life
Love of mine, love the time

Time will give the answers
For all your great tribulation
Soon we'll be playing in the sun
And feel like one

C'est ma vie, je dis oui
No more waiting round
I know I have found
Everlasting love for life
Love of mine, love that shines, love

Canción: Watch my dance
Compositor - Letrista: Giannis Christodoulopoulos, Eleana Vrachali

LETRA | LYRICS

I was born so betrayed, who am I -
what I'll be?
What is mine in this life? Just the
heaven and sea
No I won't give them up, they're my
fortune, my proof
Don't believe what you hear, cause
their truth kills the truth

The duty I've got is my war against
fear
and I want you with me, I want you
so near
Watch my dance Head up high
Hands like wings and I'll fly
Το κεφάλι ψηλά και τα χέρια
ανοιχτά!

Την έχει η ψυχή μου τη φωτιά
τους φόβους όλους καιει μοναδικά
τα βήματά μου κάνω ως το Θεό
κι αν πέσω εγώ ξανά θα σηκωθώ

I have heard many words but I still
won't forget
the language of my body the sound
my heart makes
so I'm staying alive and my losses
won't let

my soul to surrender, the power of loss is
my bet

Watch my dance Head up high Hands
like wings and I'll fly
Το κεφάλι ψηλά και τα χέρια ανοιχτά!

Την έχει η ψυχή μου τη φωτιά
τους φόβους όλους καιει μοναδικά
τα βήματά μου κάνω ως το Θεό
κι αν πέσω εγώ ξανά θα σηκωθώ [x2]

(Whoaaa oooh)
One to hundred multiplied by you
It all looks great, it all looks cool

Healthy children go to school
My daughter's in love, my son
loves too

Oh on the surface, oh in the
distance
It's all the same.
Oh, in the darkness, oh don't you
notice
What a different game yeaah

**If you take this life from me today
Tare it up and bury me away**

**For just one two .. three songs of
mine,
Hundred worries of mine
Your love, your love in rewind.**

**For just one two .. three songs of
mine,
hundred worries of mine
And love, love in rewind**

(whoaaa oooh)

One to hundred multiplied by two
Just like me, it's less about you.
To keep it running on serpentine
I don't know where to run from reality
yeaaah

**If you take this life from me today
Tare it up and bury me away.**

**For just one two ... three songs of
mine,
Hundred worries of mine
Your love, your love in rewind.**

LETRA | LYRICS

When I close my eyes I fall into a
dream.

Can't you see this world, all people
live in peace.

The sun is shining in my heart,
rainbows in the sky.
Spread your wings and fly, fly, fly
high.

**We all are dreamers on our way.
In a world where we're not meant to
stay.**

**Together we can make it all.
The secret is in you -- it's love**

When I smile inside my heart, I feel so
free.

All the fears and doubts, they turn into
believe.

I feel alright, we'll make it right now, if
we trust, trust, trust in love.

**We all are dreamers on our way.
In a world where we are not meant to
stay.**

**Together we can make it all.
The secret is love.**

**I'm reaching out my hand to you.
Soldiers let the light shine through.**

**So we can realize the wonder of life.
So what more do we need, so what
more will it take to see life, just open
your eyes!**

**We all are dreamers on our way.
In a world where we are not meant
to stay.**

**We won't meant to stay.
Together we can make it all.
The secret is love.**

**I'm reaching out my hand to you --

So we can realize the wonder of life.
Spread your wings and fly.**

Canción: Je vecht nooit alleen
Compositor - Letrista: Jaap Kwakman, Jan Dulles, Jaap de Witte

LETRA | LYRICS

Weet je schat?
We zien het soms een beetje zwart
Soms lijkt de wereld om je heen,
koud en gemeen
En je strijd, omdat de aarde lijdt
Maar zelfs als de zon voorgoed
verdween
je vecht nooit alleen
Want je hebt de tijd, de
eeuwigheid
de verbeelding aan je zij
en je weet daar zal ik altijd zijn
als je mij beloofd
dat je blijft geloven
dat een mens krijgt wat hij geeft
in je grootste zorg
zit een hoop verborgen
En wie lief heeft overleeft
Stil maar lief
je piekert want het wil maar niet
Ga waar de wind, je vleugels vind
Ontstijg je verdriet
en je vraagt, wie dan de aarde
draagt
kijk naar de zon, De bronzen
scheen

je was nooit alleen
Want je hebt de tijd, de eeuwigheid
de verbeelding aan je zij
en je weet daar zal ik altijd zijn
als je mij beloofd
dat je blijft geloven
dat een mens krijgt wat hij geeft
in je grootste zorg
zit een hoop verborgen
En wie lief heeft overleeft
in je grootste zorg
zit een hoop verborgen
En wie lief heeft overleeft
Dat wie lief heeft overleeft

LETRA | LYRICS

(With love) Hey hey hey with love
(With love) Hey hey heeeey whoooo
ohhh
(With love) Whoa whoaa whoaaaa
With love ! In my mind, my body and
my soul
I'm doing everything and I'm doing it
all
With love !
In my mind, my body and my soul
With love, baby, you can have it all.

If you like to move it, if you like to
groove it
Do it with love, baby
If you like to sing it, if you like to swing
it
Do it with love, baby

Cause when your love is gone
and you're all alone
There is nothing left to carry on
So whenever we're singing this song
we do it
With love, anekatips baby!
With love
In my mind, my body and my soul

I'm doing everything and I'm doing
it all
With love
In my mind, my body and my soul
With love, baby, you can have it all.

With love, With love baby (x3)
Oh, whatever you're doing just do it
with love!

You gotta do it with love
Come on and sing it, swing it, with
love
Feel it in your body, your soul and
your mind
When you move, when you groove,
with love
Yes, I had to sing it and I came to
bring it to you
With love, baby
Then I tried to blend it but I have to
end it for you
With love, baby
Cause when I love you and you love
me too
There is nothing left for us to do
But to hug and to kiss and to tug into
bliss
With love, baby

Canción: I'm still alive
Compositor - Letrista: Bryan Todd, Sandra Nordstrom, Branislav Jancich

LETRA | LYRICS

No, nothing can touch me, I've seen what I can be
Lonely I've walked through the fire, but I'm still alive
(No, nothing can touch me, I've seen what I can be) I'm still alive
(Lonely I've walked through the fire)

Would you climb up a mountain?
Would you battle the ocean?
Would you give this to lose it all?

I believe in my life and try to learn every lesson
Now I see what I've fought for
When the road's not too wide (Not too wide)
Then trust the heart never lies (Heart never lies)

No, nothing can touch me, I've seen what I can be
Lonely I've walked through the fire, but I'm still alive
(No, nothing can touch me, I've seen what I can be) I'm still alive

(Lonely I've walked through the fire)
If you lost all meaning, no more truth to believe in
Will the light inside be great?
But if you shine like a diamond, don't get caught in the moment
Never letting your prayers slip away

When the road's not too wide (Not too wide)
Then trust the heart never lies (Heart never lies)

No, nothing can touch me, I've seen what I can be
Lonely I've walked through the fire, but I'm still alive

(No, nothing can touch me) (I've seen what I can be) I'm still alive

And you know deep inside
Love is taking all the space
Baby, I love you... and you?

We are birds, we fly so high and we are falling down
When I dream of you, my dream is so fearless
We are people of the planet, we live human lives
We are angels, we're in danger, we are crystal white, crystal white

When you look into my eyes
Sun is touching mountain top
When you look into my eyes
It will never have to stop
Baby, I love you... and you?

We are birds, we fly so high and we are falling down
When I dream of you, my dream is so fearless
We are people of the planet, we live human lives

LETRA | LYRICS

Flashes,
Ray ban glasses,
I move with ease
In my convertible breeze.
Martini
whiskey on the rocks
life on the top
my party never stops!
Winner
A dusk to dawn sinner
Love traded in for lust
It's emotions I don't trust
On top
The cream of the crop
You know I love to rock
The fun will never stop
You see
It's all about me
The servants and the king
I'm the ruler of the world
A tug
She pulls me like a drug
I want her on the rug
But she's not that kind of girl
**I see you where the lights glow
You pull me in your private side show
And now I see your moves in slowmo
I try to kiss you, but you slip away
Yet you never walk away from me**

Are you a shadow of what might be?

Why should one woman stand above the rest?

There is a mystery to you deep beneath the flesh!

Those eyes pulling me in.
A body made to sin.
But I can not win.
Wait,
I'm ready at the gate.
Don't tell me it's too late.
Her fire starts to melt my heart.
She's clean.
Not part of any scene.
She's more like a dream
I don't want to wake up from!
I see,
She's somehow changing me.
She's where I want to be.
Can't stand a moment without her
Anymore!

Της μοναξιάς μου τις στοές μονάχος
περπατάω,

θα πάω,
με σταύρωσες, με μάτωσες κι ας
πέθαινα για σένα,
το δάκρυ μου έρεε σαν αίμα, λόγια
ξεχασμένα.
Πίστευα πως οι άγγελοι ζούνε στα όνειρά
μας,
φέματα όμως πίστευα βρίσκονται
ανάμεσά μας,
μια πολύ έρημη καρδιά σαν έφυγες
μακριά μου,
γυρνά ξανά σε καρτερώ, αστέρι και χαρά
μου.
Στον κήττο της αγάπης μας, πήγα για να
σε ψάξω,
Στο πλήθος όμως χάθηκες, δεν μπόρεσα
να κλάψω
Το σταυροδρόμι της ψυχής κι ο μυστικός
μας δείπνος,
Χάθηκαν στο διάβα σου, έκλεισε πια ο

Σαν άγγελος σ' αγάπησα, γύρνα

Πες μου και πάλι μ' αγαπάς, λύτρωσε

And you came to me one night
Like a morning light
Just to hold me tight
Then you left and I was so alone
Saying I should've known
You're no good for me
There's no reason I should cry
No, no baby, I'll survive
I don't care, I don't care

No one will ever hold you tight
No one will ever love you like
Just no one like I do
There is no one, no one
No one will ever treat you right
You're the one who's never
satisfied
There is no one like I, like I am.

I can feel what you're looking for
I'm not that girl no more
I'm not made of stone
I'm gonna stand on my own
Not gonna break me down
No one will stop me now
No, no, no, no... 'cause life is
kind without you
And I know I can make it through
without you

Life goes all around
Round and round and round
I feel love for sure
And it's gonna get you
Life goes all around
Spinning all around
Now you want me, don't you

You're haunted by your troubles

Wasting smiles away, what's there

You gotta make believe and make

It ain't that hard to do, whoa...

change the world alone
I need you all, everybody, start

Strangest places that you just wanna

Won't you turn the tide? A smile can

Daylight is fading away, night
silhouettes in the sky
LED lights are flashing on
towers
It's Manhattan's magical time

Ballerinas dancing the Swan
Lake
On a river made of diamonds
and pearls
Everything's a little bit weird
now

Because tonight, it is showtime
In the middle of the street life
All we celebrate are good times
Because tonight, it is showtime
Come and walk with me
1273 down the Rockefeller
street
Life is marchin' on, do you feel
that?
1273 down the Rockefeller
street
Everything is more than surreal

(Alright, alright, alright)
(Let's go, let's go)
Oldschool Hollywood stars
Party cinderellas are here
They move like computer game heroes

Because they know it is showtime
In the middle of the street life
All they celebrate are good times
Because tonight it is showtime

So let's keep movin' on

Keep movin', keep movin', keep

land
I love Belarus, got it deep inside
I love Belarus, feel it in my mind
And I wanna see the sun shining from
above
You will always be the one, I can't get
enough
I love Belarus, got it deep inside
I love Belarus, feel it in my mind
And I wanna see the sun shining from
above

You will always be the one, I
can't get enough

And I'm gonna every day give you all
my love
So here I go and I'm ready to rise up
Just like a star guiding me through
the night
I've got no fear and I will never give
up
Love is all we need and it's our light
I love Belarus, got it deep inside
I love Belarus, feel it in my mind
And I wanna see the sun shining
from above
You will always be the one, I can't
get enough
I love Belarus, got it deep inside
I love Belarus, feel it in my mind
And I wanna see the sun shining
from above
And I'm gonna every day give you
all my love
Time will not erase courage and my
grace
I'm stronger every day, I say...

Intérprete: Musiqq
Canción: Angel in disguise
Compositor - Letrista: Marats Ogleznevs, Marats Ogleznevs

LETRA | LYRICS

Woke up tonight, looked at the moon
Blinding light, filled up my room
Looked to my right – my better half
And it's alright, if it's all I have
I let it ride, I'm satisfied
Just be mine
Kill me with killa kiss
Kill me with tempting lips
Stare me with candy eyes
Love me with luscious tighs
Kill me with killa kiss
Kill me with tempting lips
Stare me with candy eyes
Love me with luscious tighs
Angel in disguise
Angel in disguise
Not a day goes by, not without you
Crossing my mind, if you only knew
Keep hope alive, I have faith in you
Two worlds collide, honest and true
You're my lullaby, passion for life
My starlit night

Kill me with killa kiss
Kill me with tempting lips
Stare me with candy eyes
Love me with luscious tighs (x2)
Angel in disguise
Angel in disguise
It's simple, like you and I
Just spread your wings and learn to fly
I must be one lucky guy
With a girl like you right by my side
No sweat, imma do this right
Bring the moon to the moonless sky
Yeah, I see – the stakes are high
But this story ends with no goodbye
Girl, I'm qualified, I get what I see
No need to try
I'll make sure your dream will never die
Kill me with killa kiss
Kill me with tempting lips
Stare me with candy eyes
Love me with luscious tighs
Angel in disguise
Angel in disguise
Spread your wings and fly

Canción: New tomorrow
Compositor - Letrista: Lise Cabble & Jakob Schack Glæsner

LETRA | LYRICS

Come on boys come on girls
In this crazy, crazy world
You're the diamonds, you're the pearls
Let's make a new tomorrow, today
Wake up, slow down do nothing right now
Breathe in, breathe out did we forget how
To live, to dream and what it all means
It's like we don't care
Who's hot, who's not who's got the right upside down
Tonight, tomorrow you're out of time
Upstyle, you are back in the line
A race to nowhere
Come on boys, come on girls
In this crazy, crazy world
You're the diamonds, you're the pearls
Let's make a new tomorrow
Come on girls, come on boys
It's your future, it's your choice
And your weapon is your voice

Let's make a new tomorrow
Today
Turn left, turn right don't make up your mind
Your way to fame is all in vain
You get in the spot then you run out of luck
You're going nowhere
We can change it all today!!!
Come on boys, come on girls
In this crazy, crazy world
You're the diamonds, you're the pearls
Let's make a new tomorrow
Come on girls, come on boys
It's your future, it's your choice
And your weapon is your voice
Let's make a new tomorrow
Today
(Oooohh o-oh ooooh)
Come on boys
Let's make a new tomorrow

F 12. ITALIA ITALY

Intérprete: Rafael Gualazzi

Canción: Follia d'Amore

Compositor - Letrista: Raphael Gualazzi - Raphael Gualazzi

LETRA | LYRICS

Dire sì, dire mai non è facile, sai
Se tutti quanti siamo in orbita nella
follia
Io non so più chi sei, non mi
importa chi sei
Mi basta perdere l'incanto di una
nostalgia

Ma vedrai un altro me in un sogno
fragile
Riderai come se non ti avessi
amato mai
Cercherai un altro me oltre
all'ombra di un caffè
Troverai solo me, se mi fermo un
attimo io non so più chi sei

Qui si vive così, day by day, night by
night
E intanto il mondo si distoglie dalla
sua poesia
Non dipingermi mai, non
costringermi mai
Abbandoniamoci alla soglia della
mia pazzia

Ma vedrai un altro me disarmato
fragile
Perché quello che sei, no lo
cambierei mai
Neanche se fossi tu, come il tempo a
correr via
Ma rimani con me, non mi perdo
neanche un solo attimo di te

E vedrai un'altra te, quasi invincibile
Viva come non mai ed è lì che tu mi
avrà
Oltre false magie l'orizzonte sarai
Splenderai, splenderai, splenderai,
splenderai

LETRA | LYRICS

You were the eyes in the face of
 fortune
 I lost my way and I couldn't find you
 Oh, oh no

We're not the first ones to be
 divided
 Won't be the last to be reunited
 No
 Oh no
 (Oh no)

It's like rain falling down
 Drops of pain hit the ground
 I can't speak
 There's no sound when you're gone
 (Yeah, come on)

I can
 I will
 I know
 I can untie these hands
 And get backup again
 (oh-ho)

I can
 I will
 I know
 I can untie these hands
 And get backup again

I can
 I can
 (Get back up again)
 I have never lost anything quite like
 this
 No second chances if I don't fit in
 No (no)
 Oh no
 (oh no)

You closed the door and you kept on
 walking
 Left me behind and there's no more
 talking
 No
 Oh no
 Oh no
 It's like rain falling down
 Drops of pain hit the ground
 I can't speak
 There's no sound when you're gone

 Compositor - Letrista: Gus Seyffert, Nicole Morier, Monica

LETRA | LYRICS

She's got luck all in her eye
 He knows her cat-call
 Can't escape from telling lies
 I heard her saying:

"Hey, mind if I take this chair?"
 "Hey, mind if I take this chair?"

He drops a pause
 She looks annoyed
 But he's so mean
 He thinks she has to be the one

Taken by a stranger
Stranger things are starting to begin
Lured into the danger
Trip me up and spin me round again

You got some coffee on your collar
 And you forgot to comb your hair
 I can't wait till I do better
 You're here and I don't care
 Can't help it if you like it cause I won't be here
 tomorrow
 No one ever told you that you wouldn't be
 rejected

Estrillo | Refrain

Papapara nana nana...
 Ooh... la la la la...

Put the blindfold on his eyes
 She saw him peek through
 Can't imagine her disguise
 I heard her saying:

"Hey, mind if I take this chair?"

Yeah, see if I care
Taken by a stranger
Stranger things are starting to begin
Lured into the danger (Danger is a risky business)
Trip me up and spin me round again

F 22. ESPAÑA SPAIN

Intérprete: Lucía Pérez
 Canción: Que me quiten lo bailao
 Compositor - Letrista: Rafael Artesero - Rafael Artesero

LETRA | LYRICS

Ouo uo oo, ouo uo oo
 y ahora que me quiten, que
 me quiten lo 'bailao'.

Me pellizco cada día, pienso qué suerte la mía
 no estoy soñando, es realidad.
 Vivo como en una nube, tengo lo que nunca tuve,
 te tengo a ti, a ti y todo lo que me das.

Y aunque sé bien
 que podrán venir tormentas
 y me caeré
 que a fin de cuentas he 'disfrutao'
 de todo lo 'bailao'

Ouo uo oo, ouo uo oo
 y ahora que me quiten, que me
 quiten lo 'bailao'
 Ouo uo oo, ouo uo oo
 y ahora que me quiten, que me
 quiten lo 'bailao'

Junto a ti cada momento es sublime el sentimiento,
 no he de temer lo que ha de venir.

No me curaré en salud, ni me
 cargaré una cruz,
 prefiero disfrutar viendo lo que eres
 tú.

Y aunque sé bien que van a venir
 tormentas
 y me caeré
 sé que a fin de cuentas ya disfruté
 de todo lo 'bailao'

Uo uo uo oo uo uo uo uo oo
 Ahora que me quiten, que me
 quiten lo 'bailao'
 Uo uo uo oo uo uo uo uo oo
 Ahora que me quiten, que me
 quiten lo 'bailao'

Me siento tan bien, me siento tan bien
 que nunca nunca nunca en negativo
 pensaré...

y sé bien que van a venir tormentas
 y me caeré
 pero a fin de cuentas ya disfruté
 de todo lo 'bailao'
