Oh... forget, let me breathe, let me live  
Just run away from my mind  
Oh... forgive, I don't need, I won't breathe  
Just get away from my life

You've lost one and all, so fly away  
Over the clouds, under the sky  
Never come back and run away  
With all your might, give up you

I don't believe anymore your shallow heart  
I know that it's you who chose to play this trick  
I'll never forgive you, not for anything  
And now you are left with nothing

Oh... forget, let me breathe, let me live  
Just run away from my mind  
Oh... forgive, I don't need, I won't breathe  
Just get away from my life

Oh... forget, let me breathe, let me live  
Just run away from my mind  
Oh... forgive, I don't need, I won't breathe  
Just get away from my life

There's no other time to making happiness  
You have mistaken  
We have no progressive future  
I know your lying nature

There's no other time to making happiness  
You have mistaken  
We have no progressive future  
I know your lying nature

Oh... forget, let me breathe, let me live  
Just run away from my mind  
Oh... forgive, I don't need, I won't breathe  
Just get away from my life

Would you believe, Lord of Mercy?  
Would you be so... Lord, Lord?  
I wanna love her now  
And I wanna feel that now with all...  
All of those kisses and sweet embraces

Here am I, lost and forgotten  
For this cruel, cruel time  
When I'm first time in love  
(Now that is why)  
Now that is why I say Lord of Mercy  
And I hope now that you hear me  
Oh yeah...

(What are you doing man?)  
I'm looking at her photos  
What should I do with them?  
(Drop them into the fire)  
Oh, yes, yes, I gonna burn 'em now  
'Cause I have to forget her now with all...  
All of those kisses and sweet embraces

Here am I, lost and forgotten  
For this cruel, cruel time  
When I'm first time in love  
(Now that is why)  
Now that is why I say Lord of Mercy  
And I hope now that you hear me  
Oh...

(For this cruel, cruel time)

Siren in my head, is making awful sound  
It's time to make it clear  
What is lost and what is found?

My life has been oh lame  
Has been oh lame so far  
I wasted years, I wasted time  
Trying to reach the stars  
My life has been oh lame  
Has been oh lame so far

Give me time and give me strength  
Give me strenght to carry on  
Give me bit of hope now,  
help me through the night  
Give me time and give me strength  
Give me strenght to carry on  
Give me bit of hope now,  
help me through the night

Siren in my head, yes, I can hear it again  
Is it just the beginning, or is it the end?

My life has been oh lame  
Has been oh lame so far  
I wasted years, I wasted time  
Trying to reach the stars  
My life has been oh lame  
Has been oh lame so far

Give me time and give me strength

Mitä minä laulan kun olen iloinen  
Mitä laitan leijaillemaan päälle sävelten  
Paljon päivänpaistetta ja poutapilviä  
Torikauppiaille nauravia silmiä

Mä laulan  
Paista päivä, kulje kunnon kuu  
Työlki ellää, mut kauppal rikastuu

Mä laulan  
Paista päivä, kulje kunnon kuu  
Työlki ellää, mut kauppal rikastuu  
Mitä minä laulan kun olen onneton

Mitä silloin sävelteni kannettava on  
Sadetta ja myrskysäätä ylle kaupungin  
Reikähousupelimmän pennin lantin

Mä laulan  
Paista päivä, kulje kunnon kuu  
Työlki ellää, mut kauppal rikastuu

Mä laulan  
Paista päivä, kulje kunnon kuu  
Työlki ellää, mut kauppal rikastuu  
Mitä minä laulan kun rakastunut oon

Kantaako mun rakkauteni laulun kuutamoon  
Samettia, silkkiä ja kultalankaa vaan  
Siitä minun kullalleni paita ommellaan

Mä laulan

Mä laulan

Mitä minä laulan kun ittekseni meen  
Mietin miksi aina uutta laulua mä teen  
Kaksi kummaa lintua jo taivaanrannan taa  
Lentää silloin kun on aika laulu lopettaa

Mä laulan

"What for?"

6

Janis Lusens  
Guntars Racs **a**

I've asked my angels why, but they don't know  
 What for do mothers cry and rivers flow?  
 Why are the skies so blue and mountains high?  
 What for is your love always passing by?

I've asked my uncle Joe, but he can't speak  
 Why does the wind still blow and blood still leaks?  
 So many questions now with no reply  
 What for do people live until they die?

What for are we living?  
 What for are we crying?  
 What for are we dying?  
 Only Mr God knows why

What for are we living?  
 What for are we dreaming?  
 What for are we losing?  
 Only Mr God knows why

But his phone today is out of range

The sun that's painted black is rising high  
 The time is turning back, I wonder why  
 So many questions now with no reply  
 What for do people live until they die?

What for are we living?  
 What for are we crying?  
 What for are we dying?  
 Only Mr God knows why

What for are we living?  
 What for are we dreaming?  
 What for are we losing?  
 Only Mr God knows why

(What for are we living?) What for we're living?  
 (What for are we crying?) Crying  
 (What for are we dying?) Dying  
 (Only Mr God knows why) Mr God knows why

(What for are we living?)  
 (What for are we dreaming?) Dreaming  
 (What for are we losing?)  
 (Only Mr God knows why) Only God knows why

(Why)  
 (Only God knows who we are)

Say just one more word  
And you will make it end  
And I will leave this place  
Only anger will remain  
And it doesn't seem to me  
We're each other's better side  
These days

This is the time to melt the ice  
Off our lips and off our hearts  
Thunder and lightning holding hands  
Let's overcome the past

The drought is all around  
But if we start breathing together  
We can bring the rain down  
For a dream, for a brand new day  
To wash away our sins  
And carry them away

This is the time to melt the ice  
Off our lips and off our hearts  
Thunder and lightning holding hands  
Let's overcome the past  
We have to do it fast

In this crazy world  
Just you and I

Say just one more word  
And everything will end,  
everyone will leave

I've decided never feeling sorrow  
I will share my heart when I find her.

I'll be forever, ever and ever  
Feeling this love 'till the day when I die.  
Being together even no matter,  
you didn't want me to be by your side.  
Z zamku porwal Panne,

Lovely Princess  
I am here to save you  
Take my hand and say that you love me.  
If you ever say it even lying  
I will let you fly like a bird - free.

I'll be forever, ever and ever  
Feeling this love 'till the day when I die.

People always say  
Tom, this has gone to far  
But I'm not afraid to chase my dreams,  
Just me and my guitar

And no-one may ever know  
The feelings inside my mind  
'Cause all of the lines I ever write  
Are running out of time

So maybe I should get a nine to five  
But I don't want to let it go,  
there's so much more to life

Tell me that I've got it wrong  
Tell me everything will be okay  
Before I fall

Tell me they'll play my songs  
Tell me they'll sing the words I say  
When darkness falls  
All of the stars will see  
Just me and my guitar

I'm sure that I'll find my way  
'Cause I'm not afraid to try  
Even a world of love and \_  
hope can't guarantee that price

So maybe I should get a nine to five  
But I don't want to let it go, t  
here's so much more to life

Tell me that I've got it wrong  
Tell me everything will be okay

"My dream"

a.

We used to say that dreams could be so true  
Where am I?  
What will I be?  
It's my dream which I could share with you;  
A new day for you and me  
Just a smile with warmth in my heart  
And go all the way,  
There's so much in life  
And I'll sing

This is my dream,  
I want to make it really happen  
And make my dream come true!  
This is my dream,  
I'll make it if I just believe it;  
In a fairytale I'll live it  
Just like a new born star!

Fly above like a sea-gull on the waves  
And the sun will shine upon your face,  
Just believe,  
follow your heart and make it happen,  
Grow much brighter  
And we'll say

This is my dream,  
I want to make it really happen  
And make my dream come true!  
This is my dream,  
I'll make it if I just believe it;  
There is nothing that could stop me  
I just want the world to know  
This is my dream!  
And I know that I'll be strong,  
It will come true  
Because I know I'll make it happen  
This is my dream!

You are the one  
You give me that something I need  
It is me, and I'm calling  
You are the one  
Making it easy to be  
In love with you I'm falling  
We been down  
Don't you know we been down here, and I feel it  
Even now,  
Time that we make a deal, and seal it

It's all about you  
The things that I do  
The rest of the world don't understand me  
You are all I dream  
Everything that I need  
Because when you are gone, I feel so empty  
It's all in the way you look at me  
You're driving me crazy  
It's all about you  
All the things that I do  
You are my life  
Because you make it amazing

I am the one  
Who doesn't know how to say no..  
To you I'm so easy  
I am the one  
Who's letting my ego just go  
For you complete me

We have been down  
But something tells me it's only getting better  
So stick around  
I want to know what it feels like forever  
And ever

It's all about you  
The things that I do  
The rest of the world don't understand me  
You're all that I dream  
Everything that I need  
Because when you are gone I feel so empty  
It's all in the way you look at me  
You are driving me crazy  
It's all about you  
All the things that I do  
You are my life  
Because you make it amazing

I am never alone with the loving you give me  
Wherever I go I'm hoping you miss me  
Don't want to ever go back  
Never ever go back  
Baby you're my destiny  
Oh yea.

I'm gonna tell you  
What is in my soul  
We are so fragile,  
Just like melting snow.  
We've got to come to see  
The beauty of love  
And imagine...  
And imagine...  
Just imagine...

And we're like butterflies  
Flying to the sun  
The sun will never  
Let us look inside  
I believe  
That all'll be opened up  
But in the right time  
Open-hearted wait for it  
It will come

And even if you  
Often were so wrong  
And you denied  
The wonder's possible  
But you have got to see it  
All the same  
And imagine  
And imagine...  
Just imagine

And we're like butterflies  
Flying to the sun  
The sun will never  
Let us look inside  
I believe  
That all'll be opened up  
But in the right time  
Open-hearted wait for it  
And all the secrets will come out...

I am standing strong  
I've overcome the sadness

Now, I look up and see

And it's reflecting in your eyes

Je ne sais quoi  
I know you have that special something  
Je ne sais quoi  
Something I just can't explain  
And when I see your face  
I wanna follow my emotions  
Je ne sais pas pourquoi

When the clouds are gone  
The stars come out around us, shining  
All that we see is love  
Our hearts aligned together  
Tell me do you feel the same?

Je ne sais quoi  
I know you have that special something  
Je ne sais quoi  
Something I just can't explain  
And when I see your face  
I wanna follow my emotions

we ain't got no taste, we're all a bore  
You should give us a chance,  
'cause we're all victims of circumstance  
We've had it pretty tough,  
but that's okay, we like it rough  
We'll settle the score,  
survived the reds and two world wars

No sir, we're not equal, no,  
though we're both from the EU  
We build your homes, we wash your dishes,  
keep your hands all squeaky clean  
Some day you'll come to realise Eastern

"Apricot stone"

Armen Martirosyan  
Karen Kavaleryan a.

Many, many years ago,  
When I was a little child,  
Mama told me you should know,  
Our world is cruel and wild,  
But to make your way through cold and heat  
Love is all that you need

I believed her every word,  
More than anything I heard  
But I was too scared to lose my fun  
I began to cry a lot  
And she gave me apricots  
Kisses of the earth, fruits of the sun

Apricot stone,  
Hidden in my hand  
Given back to me  
From the motherland

Apricot stone,  
I will drop it down  
In the frozen ground  
I'll just let it make its round

Apricot stone,  
Hidden in my hand  
Given back to me  
From the motherland  
Apricot stone

Now I see the northern stars  
Shining brightly in the storm  
And I've got an avatar  
Of my love to keep me warm  
Now I'm not afraid of violent winds  
They may blow  
They can't win

May the winter stay away  
From my harvest night and day  
May God bless and keep my cherished fruit

Grow my tree up to the sky,  
Once I waved my home goodbye  
I just wanna go back to my roots

Apricot stone,  
Hidden in my hand  
Given back to me  
From the motherland

Apricot stone,  
I will drop it down  
In the frozen ground  
I'll just let it make its round

Apricot stone,  
Hidden in my hand (Hidden in my hand)  
Given back to me (Given, given back to me )  
From the motherland

For as long as I remember  
For as long as I've been blue  
Every day since we've been parted  
All I thought about was you

Didn't need the time for sorrow  
Didn't need the time for pain  
What am I supposed to do  
When living without you  
Is the worst I ever knew

In a moment like this  
Wanna know,wanna know,  
wanna know what you're looking for  
Wanna know,wanna know,  
wanna know could you ask for more  
In a moment like this  
Wanna know,wanna know,  
wanna know what I have to do  
Wanna know,wanna know,  
wanna know how to get to you

Ever since the day you left me  
Ever since you went away  
I'm lost and I don't know  
Where am I supposed to go  
I still miss you so

In a moment like this...  
Wanna know,wanna know,  
wanna know what you're looking for  
Wanna know,wanna know,  
wanna know could you ask for more  
In a moment like this  
Wanna know,wanna know,  
wanna know what I have to do  
Wanna know,wanna know,  
wanna know how to get to you

When I need for you to hold me  
Say you love and never leave me  
My heart will forever be true

A l'horizon  
Une touche d'argent  
Comme après l'orage  
S'en vont les nuages

Les nuits d'été  
Sommeil oublié  
Grâce à ton parfum  
Je retrouve mon chemin

Il pleut de l'or  
chaque fois que tu me parles d'amour  
Il pleut de l'or  
Ensemble partons pour faire le grand tour  
Sous la voûte étoilée  
Les destins sont dorés  
Il pleut de l'or

Et au matin  
Secrets communs  
Les regards échangés  
Sont complices de l'été  
Le jour chasse la magie  
Reste les yeux qui brillent

Il pleut de l'or  
chaque fois que tu me parles d'amour  
Il pleut de l'or

I'd go Down the beaten track  
Long the river  
With an empty bag  
At the end She said to me  
Why are you here  
With the autumn leaves?

Cause this is my life, my friend  
And this is my time to stand  
Now this is my life, my friend  
And I can't be  
No one else

I'm done Tipping on my toes  
Striking iron  
And attack my soul  
Misty moon, You're gonna see  
I've got your blues  
To get on my feet

Cause this is my life, my friend  
And this is my time to stand  
Now this is my life, my friend  
And I can't be  
No one else

I don't wanna run  
I don't wanna fight  
I don't wanna hide  
I just wanna stay free  
To be me

I don't wanna win  
I don't wanna lose

I just wanna remember  
My name

Cause this is my life, my friend

You are my man  
You are my half  
Tell me what's happening  
I know something's wrong  
I can tell when you lie  
I can tell you've stopped trying

These last three weeks past and  
we've barely talked  
I think I know, and it's breaking my heart  
Am I in or am I out?

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know how to stop, how to stop  
These teardrops  
That drip drop drip drop  
(And) drip drop drip drop  
Oh.. Oh...

Tell me where have you been?  
Why are you late?  
You smell like lipstick again  
Come on, answer my question!  
Say something.

Why are you acting out?  
Oh, say it's in my head...

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know how to stop, how to stop  
These teardrops  
That drip drop drip drop  
Drip drop drip drop  
Oh.. Oh...

I don't wanna cry  
I don't wanna hear your name  
If this is where it ends  
I don't wanna run  
Run away from myself  
And be lost again

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know  
These teardrops  
I don't know  
That drip drop drip drop  
Oh.. Oh...

Oh, sweet people  
What have we done?  
Tell me what is happening?  
For all that we've built  
Tumbles and is gone

Oh, sweet people  
Have you no love for mankind?  
Must you go on killing  
Just to pass the time.

The message is so true  
The end is really near  
All these feelings take me down  
It steals the things so dear  
Yes, the message is so real.  
Don't turn all the earth to stone  
Because, because, because  
This is your home

Oh, sweet people  
what about our children?  
In theaters and video games  
They watch what we send to ruin

Oh, sweet people  
What senseless game  
Have we all been playing?  
No one but you to blame?

The message is so true  
The end is really near  
All these feelings take me down  
It steals the things so dear  
Yes, the message is so real.  
Don't turn all the earth to stone  
Because, because, because  
This is your home

This is our home.

K ben vergeten waar ik dit liedje heb  
gehoord in de zomerzon  
Ik geloof dat 't toen daar met jou op 't  
strand was in Lissabon  
Of was 't daar toen in Parijs  
Achter 'n coupe vers mokka ijs  
'T kan ook zijn dat 't was met z'n twee  
boven zee in die luchtballon

Shalalie shalala  
Shalalie shalala 't gaat niet uit m'n kop  
Shalalie shalala  
Shalalie shalala ik sta d'r 's morgens mee op  
Ik ben verliefd op jou  
Daarom vergeet ik alles gauw  
En weet ik 't niet meer  
Shalalie shalala  
Shalalie shalala zo gaat 't ongeveer

Ik ben verliefd ik ben verliefd  
Ik ben verliefd.....dat kun je zo zien

'T kan ook zijn dat ik samen met jou in 't  
vliegtuig naar Oslo zat  
Of kwam 't uit 'n cafe in zo'n straatje we  
waren in Trinidad  
Of was 't met 'n goed glas wijn op dat  
terrasje in Berlijn

Of was 't Moskou waar ik mijn eerste  
kus van jou heb gehad

Hoe kan ik dat... Hoe kan ik dat  
Hoe kan ik dat... Hoe kan ik dat  
Hoe kan ik dat nou vergeten

Shalalie shalala  
Shalalie shalala 't gaat niet uit m'n kop  
Shalalie shalala Shalalie shalala  
ik sta d'r 's morgens mee op  
Ik ben verliefd op jou

Daarom vergeet ik alles gauw

Girl girl girl can't you see  
What you do to me tonight  
Boy boy boy if you're mean  
I will start a fight tonight

You and I could try to stop  
Uh boy till you drop  
If we get together now  
We'll burn this place down

You and me can't you see  
We're playing with fire  
Tell me now do you feel  
This burning desire.  
Don't stop make it rock  
Is taking us higher  
Could it be just a dream  
Are you running away?

Boy boy boy what a fight  
Come and spend with me the night  
Girl girl girl are you sure  
I ain't here to fight  
Alright

You and I could try to stop  
Uh boy till you drop  
If we get together now  
We'll burn this place down

You and me can't you see  
We're playing with fire  
Tell me now do you feel  
This burning desire  
Don't stop make it rock  
Is taking us higher  
Could it be just a dream  
Are you running away?  
If we get together now  
We'll burn this place down

Naj bo, naj bo, naj bo sprememba scene,  
naj vse, naj vse, naj vse obnori ta zvok,  
naj gre skozi vene,  
v srce naj zadene  
narodnozabavni rock

Polka je kraljica na slovenskih tleh,  
poskrbi za ples, za vriskanje in smeh.

Rock je kralj zabave, oster, a iskren,  
vroc kot poletje, barvast kakor jesen.

A le ena kaplja domišljije  
in se polka v trše ritme zlije.

Naj bo, naj bo, naj bo premik v glavi,  
naj bo, naj bo, naj bo kot pozitiven šok,  
obcutek je pravi,  
vse naj preplavi  
narodnozabavni rock.

Te domace viže vzbujajo zanos,  
domovinski cut, ljubezen in ponos.

Rock pa energijo preko strun kitar  
cez deželo širi, kakor požar.

A le cisto malo fantazije  
in se rock med ritem polke skrije.

Naj bo, naj bo, naj bo sprememba scene,  
naj vse, naj vse, naj vse obnori ta zvok,  
naj gre skozi vene,  
v srce naj zadene  
narodnozabavni rock.

Naj bo, naj bo, naj bo premik v glavi,  
naj bo, naj bo, naj bo kot pozitiven šok,

Naj bo, naj bo, naj bo sprememba scene,

"Life looks better in spring"

Nasos Lambrianides  
Melis Konstantinou

Time changes everything,  
Even you and I have changed  
The rain the winters bring  
has made us fade away...

I still remember everything,  
That old December, the fears, the cold,  
I really wonder how you feel  
On these nights, all alone...

I hope some day you'll see me...  
I hope some day you'll spot me in the crowd...  
Take my hand and kiss me  
I hope some day you'll say my name out loud...

Tell me,  
tell me about your feelings,  
Tell me about your stories  
Look into my eyes and come on closer  
And make me immortal with a kiss

Tell me,  
tell me about your feelings,  
Tell me about your stories  
We know it's over, so tell me it's over  
and life will be better in spring.

Time changes everything,  
But this feeling, it still remains...  
The sweetness of the lips I kissed  
Will always be the same.

I hope some day you'll see me...  
I hope some day you'll spot me in the crowd...  
Smile and say you miss me  
I hope some day you'll say my name out loud...

Tell me,  
tell me about your feelings,  
Tell me about your stories  
Look into my eyes and come on closer  
And make me immortal with a kiss

Tell me,  
tell me about your feelings,  
Tell me about your stories  
We know it's over, so tell me it's over  
and life will be better in spring.

Tell me,

Tell me about your stories  
Look into my eyes and come on closer

Lako, lako je sve  
Uvijek kad imam te  
Vjeruj bilo gdje sam  
Znam da tvoja jesam  
To ti kaže sjaj u mojim ocima

Lako, lako je sve  
Jer ti ne ostavljaš me  
Kad ti se ne smiješim  
Znam da tada griješim  
Ja sam samo žena  
što se prepušta

Zadnjim snagama sad stojim tu pred tobom  
Dušu razdiru mi bure nemira  
Teže mi je riješit ovu bol sa sobom  
Jer ti si prevaren a mene ubija

Lako, lako je sve  
Jer ti najbolje poznaješ me  
Dok pred tobom stojim  
Vidiš da se bojim  
Jer na licu mome piše izdaja

Dok pred tobom stojim  
Vidiš da se bojim  
Molim te oprosti  
Ja te volim  
Stvarno volim  
Ja bez tebe ne znam

Who can ever tell the color of a soul  
And the memories we keep from long ago?  
Do we ever really know each other's past?  
You can't go back to before  
But tomorrow will bring even more

Like the tide's gonna turn you will know,  
when it's cold  
You're on your own but you're never alone  
Shine, shine like the stars in the sky  
Wipe your dust off your love, let it shine

So when nothing's ever really carved in stone  
Remember that your heart is holding on  
And when every second melts up in the past  
Don't be afraid it will end  
Only fear that it never began

Like the tide's gonna turn you will know,  
when it's cold  
You're on your own but you're never alone  
Shine, shine like the stars in the sky  
Wipe your dust off your love, let it shine

You can't go back to before

You could be the one in my dreams  
You could be much more than you seem  
Anything I've wanted in life  
Do you understand what I mean?  
I can see that this could be fate  
I can love you more than they hate  
Doesn't matter who they will blame  
We can beat them at their own game

I can see it in your eyes  
It doesn't come as a surprise  
I've seen you dancing like a star  
No matter how different we are

For all this time  
I've been loving you  
Don't even know your name  
For just one night  
We could be the same  
No matter what they say

And I feel I'm turning the page  
And I feel the world is a stage  
I don't think the drama will stop  
I don't think they'll give up the rage  
But I know the world could be great

"Algo pequeñito"

Jesús Cañadilla, Luis Miguel de la Varga  
Alberto Jodar, Daniel Diges

a

Algo pequeñito, algo chiquitito  
Una rosa blanca, una caricia,  
un beso dulce y un perdón.

Algo pequeñito, algo chiquitito,  
un gesto tierno, una mirada,  
un abrazo, una flor.

Algo pequeñito, algo chiquitito,  
un simple te quiero con dulzura  
uon cariño y con pasión.

Es lo que te pido amor,  
Mi vida se derrumba, me partes el corazón  
Trata pronto de cambiar,  
El tiempo se termina ahora de verdad

Algo pequeñito, oh oh oh ooooh  
Algo chiquitito, oh oh oh ooooh  
Cosas simples que ahora no me das,  
que te pido con locura si no quieres terminar.  
Algo pequeñito oh oh oh ooooh  
Algo chiquitito oh oh oh ooooh  
En tus manos tienes la ocasión,  
hoy decides si quererme  
o romperme el corazón.

Algo pequeñito, algo muy bonito,  
Tu pelo al viento que se enreda  
entre mis manos al calor.

Has sabido comprender  
que las pequeñas cosas son las que hacen esto arder.  
Ahora trata de cambiar,  
El resto de las cosas ya se arreglarán

Algo pequeñito oh oh oh ooooh  
Algo chiquitito oh oh oh ooooh  
Cosas simples que ahora sí me das,  
Que te quiero con locura y siempre yo te voy a amar.  
Algo pequeñito oh oh oh ooooh  
Algo chiquitito oh oh oh ooooh  
En tus manos tienes la ocasión  
decidiste tú quererme y no romperme el corazón  
no romperme el corazón

Algo pequeñito oh oh oh ooooh  
Algo chiquitito oh oh oh ooooh  
Cosas simples que ahora no me das  
que te pido con locura si no quieres terminar.  
Algo pequeñito oh oh oh ooooh  
Algo chiquitito oh oh oh ooooh  
En tus manos tienes la ocasión  
Tú decides si quererme o romperme el corazón.

You are like a sunset  
Behind a mountain  
Somewhere  
And when I cannot see you  
I know you're still there

Because my heart is yours I'll never leave you  
Though we are far apart I'm by your side  
My love is never gone, I feel it rise again  
Through it all now my heart is yours

You say I am the moonlight  
I watch you  
At night  
And when you cannot see me  
I'm still there in the sky

Because my heart is yours I'll never leave you  
Though we are far apart I'm by your side  
My love is never gone, I feel it rise again  
Through it all now my heart is yours

How do I begin to imagine?  
All the happy  
Faces I'd like to see  
The final destination

With sounds of celebration  
If I could find the opportunity

So I wonder who can I turn to?  
Who can make these  
Wishes and dreams come true?  
And with you there beside me

And loving hands to guide me  
Anything is possible to do

So if you bring the sunshine  
I'll bring the good times  
Just add your laughter  
It's happy ever after  
I don't know about you  
But that sounds good to me

I can feel it coming together  
All the loving working so very well  
Nothing left to do now

Gonna see it through now  
And we can let the future write itself

So if you bring the sunshine  
I'll bring the good times  
Just add your laughter  
It's happy ever after  
I don't know about you  
But that sounds good to me

Oooooo woah woah oooooo

So if you bring the sunshine  
I'll bring the good times  
Just add your laughter  
It's happy ever after  
I don't know about you  
But that sounds good to me

I don't know about you

But That Sounds Good  
To Me  
That sound good to me

Oh la belle assemblee, qui a envie de bouger  
Pour se laisser aller, au rythme de l'annee!  
Allez Allez Allez Allez  
Il faut en profiter, c'est une bonne journee!  
Et on va la feter!

Chouchou faut te lever et bouger ton fessier  
Danser colle serre pour un baiser sale  
Prends moi par le cote, fais-moi ton dehanche  
La la, ca va chauffer, je sens le truc monter!

Ahhhhhhhhhhh Yeh...  
Allez Allez Allez - Allez Olla Ole  
Allez Allez Allez - Olla Ole  
Allez Allez Allez - Allez Olla Ole  
Allez Allez Allez  
C'est le son de l'annee!

Allez Allez Allez Allez  
Il faut danser, tout le monde, danser,  
tout le monde, danser colle serre!  
Tout le monde, danbadam badamd...  
C'est le son de l'annee, danbadam badamd  
Tout le monde, danbadam badamd...

Allez Olla Ole  
Allez Allez Allez  
Olla Ole  
Allez Allez Allez  
Allez Olla Ole  
Allez Allez Allez  
C'est le son de l'annee!

Il faut danser  
Tout le monde, tout le monde,

I went everywhere for you  
I even did my hair for you  
I bought new underwear, they're blue  
And I wore 'em just the other day

Love, you know I'll fight for you  
I left on the porch light for you  
Whether you are sweet or cruel!  
I'm gonna love you either way

Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
Like a satellite, I'm in an orbit all the way around you  
And I would fall out into the night  
Can't go a minute without your love

Love, I got it bad for you  
I saved the best I have for you  
You sometimes make me sad and blue  
Wouldn't have it any other way

Love, my aim is straight and true  
Cupid's arrow is just for you  
I even painted my toe nails for you  
I did it just the other day

Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
Like a satellite I'm in an orbit all the way around you  
And I would fall out into the night  
Can't go a minute without your love  
Oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love

Where you go, I'll follow  
You set the pace, we'll take it fast and slow  
I'll follow in your way,  
You got me, you got me  
A force more powerful than gravity  
It's physics, there's no escape

Love, my aim is straight and true  
Cupid's arrow is just for you  
I even painted my toe nails for you  
I did it just the other day

Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
Like a satellite I'm in an orbit all the way around you  
And I would fall out into the night  
Can't go a minute without your love  
Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
Love, love, love, love, love
